

Fashion Show and Trunk Sale June 5 in Lafayette

Featuring the Rumi Collection from Nisan Design Group

May 20, 2009, Lafayette, Calif.

The fashion designers at Nisan Design Group announce their upcoming fashion show and trunk sale at the Lafayette Veterans Memorial Building on Friday June 5, 2009. The show will take place from 5–8 pm.

The Lafayette-based fashion designers will present their exciting new Rumi collection *exclusively* to the local Lafayette community.

Peace, Love, Fashion—the Rumi Collection

Designed by Nisan Design Group in California, the Rumi collection takes its inspiration from the 13th century Anatolian philosopher and poet Rumi. He is beloved for his elegant, moving poems about peace, love, and harmony.

Women who adore travel and discovery, who have delight in their hearts, and who show their spirit in fashion—these are the women who will instantly fall for this collection. (See the collection at www.shop.nisandesign.com.)

You will not find this exciting new collection anywhere—it is all original. This is a glamorous story signaled by Nisan Design's eclectic eye for color, fabrics, and silhouettes.

Schedule of Events

A cocktail starts the show at 5 pm featuring delights from Turkish cuisine and coffee and champagne for refreshments.

Afterwards the fashion show will begin. Guests may purchase items by major credit card or cash. Dresses range from \$60–\$90 and skirts from \$38–\$45.

Announcing Honored Guests: Cemali

Honored guests Cemali will provide the show's music. These Turkish-American (and San Francisco-born)

musicians introduced alternative music to Turkey. Nisan Design is deeply grateful for their generosity.
